

Halton Police Board Community Fund Application

**HALTON
POLICE
BOARD**
EXCELLENCE IN GOVERNANCE

The Halton Police Board has a Community Fund, consisting of the proceeds from the sale of found and seized property which lawfully comes into possession of the Police Service. This fund may be used for any purpose that the Board considers to be in the public interest.

Members of the community interested in accessing the funding are invited to submit an application form to the Halton Police Board for review. Funding requests will be considered at the regularly scheduled monthly Board meetings (no meetings in July). **Please allow two months' notice for consideration of your request.**

Fund requests must reflect initiatives of the Halton Regional Police Service or the community. The organization receiving funding must clearly provide a benefit for:

- Community Relations and Outreach
- Public Education and Awareness
- Rewards
- Board Priorities

Funds will not be granted for items already funded through the Police Service's current or capital Budget, to support political activities or for any capital costs.

The applicant is requested to provide a written report to the Board within two months after the event on how the funds were used, and the success of their initiative.

Please review the policy on the Community fund [here](#), to ensure your request is in compliance.

I acknowledge I understand the Community Fund Policy A04, and confirm that the request submitted meets all criteria as outlined.
